

**F-104S / ASA / ASA-M list of AMI (Aeronautica Militare Italiana) - Italian Air Force**

In total 246 F-104S were built, including 40 aircraft for the Turkish Air Force, and one aircraft that crashed before delivery (MM6766 on October 1, 1971)

Of the 205 F-104S for the AMI, 143 aircraft were converted to F-104S ASA.

Of these, 55 were modified to F-104S ASA-M.
